Motion: Scholarship Application Policy

The Presbyterian Camps Scholarship Fund is available for all Presbyterian Camp sponsored camps including youth camps and family camps. The Scholarship Fund is available for all campers, regardless of age, race or gender. Scholarships are granted based on need and availability of donated funds.

Requests to the scholarship fund must be made directly to the Presbyterian Camps. Individuals requesting Scholarship funds must complete the following:

- The Presbyterian Camps Scholarship form
- Sponsorship of a church or organization
- A letter of referral from the sponsoring church or organization.
- If not a part of a church or organization, a referral letter from a non-family member.

Upon receipt of the Scholarship Request Form, the Presbyterian Camps will review the request and respond in a timely manner to both the camper and sponsoring church or organization. The scholarship fund will cover up to 1/3 of the camping fees. The remaining 2/3 of the camping fees are the responsibility of the camper. Campers may request the remaining 2/3 of camping fees from their church or sponsoring organization.

If you are unable to meet these criteria or additional scholarship funds above the 1/3 are requested, the request will require approval of the Camp Oversight and Development Work Group, Programming Committee. An individual camper may receive only one scholarship per calendar year.
